

Explore the Space Station

1. How do you wash your hair in space?

Watch the [video](#)

(https://www.youtube.com/watch?v=uljNfZbUYu8&feature=emb_rel_end)

On a separate piece of paper or on this printed sheet fill in the VENN Diagram that compares how you would wash your hair and how astronauts wash their hair in space. Include what is the same with hair washing at home and in space.

2. Watch how Chris Cassidy gives himself a haircut.

["Close Shave" for Astronaut Chris Cassidy](#)

List what is used when you get a haircut on Earth,

1.

2.

3.

4.

On piece of paper or on your printed sheet draw a picture of what your haircut would look like if you gave yourself a haircut in space.

Visit Suni on the Space Station

https://www.nasa.gov/mission_pages/station/main/suni_iss_tour.html

Use a piece of paper or on this sheet below, to draw her sleep station.

Draw a picture of your bedroom.

3. List what is in Suni's sleep station and your bedroom. Underline the most important things in your bedroom that you could not do without.

Suni's sleep station	My bedroom

4. What did you find interesting about how you live in a space station.
